SERVICES WE OFFER

We are primarily a rental company. However we can assist in planning your event, provide you with layouts and work with industry partners to make your event a truly memorable one. If your event requires the services of our staff beyond making a simple booking we ask that you set an appointment to meet with an agent. We will provide a 30 min. free consultation and one site visit for reservations anticipated to be over \$1,000. Additional charges apply for these services for reservations under \$1,000 and for additional site visits, planning, meetings, or PartyCAD drawings regardless of the value of the contract. Packages for "typical" corporate events or weddings are available which may be more cost effective than the "a-la-carte" prices in this booklet.

RENTAL PERIOD

Prices are based on one day rental, whether they are used or not. If you need the merchandise for a longer period, we do offer weekly and monthly rates. Please contact our office and make the necessary arrangements. Under most circumstances, equipment rented for a Saturday or Sunday function will be due in the following Monday for a one day rental rate.

DELIVERY AND PICK-UP SERVICES

Our pick up and delivery fees are based on location: Georgetown area, West Bay, Newlands, Bodden Town, North Side/East End. Please call for rates. Regular delivery and pick up hours are from 7:30 am to 4:30 pm on Monday through Saturday. We can deliver and pick up outside of business hours for an additional fee.

SET UP AND BREAKDOWN SERVICES

Massive offers set up and breakdown services for all the equipment. Please call us for pricing.

PAYMENT

A 50% deposit will guarantee a reservation. Until the deposit is paid no reservation is held and the items are considered quoted only and subject to prior rental by others. Payment in full is needed four days prior to your event or we can not guarantee delivery times. Customers with charge accounts will be invoiced after the event.

PRICES

All prices are in CI dollars. The exchange rate to the US dollar is US\$1=CI\$0.80

ORDER VERIFICATION

It is the customer's responsibility to verify that all the items are correct on the reservation, and when the items are received (via delivery or if picking up at our location) these should be checked against the reservation. If there are any discrepancies, please notify Massive as soon as possible and we will resolve the issue before the scheduled time of your event. Once the event has begun, and Massive has not been contacted with any discrepancies, we will not guarantee that these can be rectified and will be unable to consider reimbursement.

SECURITY OF THE ITEMS

Please note that all items remain in the responsibility of the client from the moment of delivery, until the items are picked-up by a Massive representative. The security and safety of rented equipment are transferred to the client upon delivery and the client accepts liability for any lost or damaged items.
