CHARITY AND NON-PROFIT DISCOUNT POLICY

Massive Equipment Rental and Sales Limited recognises that part of our social responsibility is what we can return to our community. We are long-term supporters of Rotary clubs, Breast Cancer Foundation, the Addison Kelly Foundation and Jasmine, to name a few.

Our involvement goes far beyond extending funding or a discount on equipment to our adopted 'corporate' charities. Our director, David Kirkaldy, is a past president of the Cayman Islands Chamber of Commerce, is a member and past president of the Rotary Club of Grand Cayman, and a past district governor of Rotary District 7020. David's wife, our director Christina Kirkaldy, has served in the past as a board member of Cayman HospiceCare (now Jasmine), as a trustee of the CF Trust and as a founding board member of the YMCA of the Cayman Islands.

In addition to the organisations that we are associated with and continue to support, we offer discounts on rentals to charities and other non-profits, subject to availability.

Massive Equipment Rental and Sales Limited will offer a discount based on the time of the year and the advance notice we receive. After reading these guidelines carefully, please complete our [Charity and Non-Profit Discount Form](#) to request discount consideration for events or programmes. Due to the volume of requests, and in an attempt to offer a benefit to as many organisations as possible, we generally discount rentals rather than give equipment outright or make cash donations.
